Dear Petersham Business Owner:

To obtain a license from the Selectboard to operate a business in Petersham as required by town by-laws, please complete the enclosed Worker's Compensation Insurance Affidavit, the completed Business Application Check List with required signatures and return them to this office. The business description is to include what you are asking to be licensed for, including the location of the business and any parking considerations (see zoning section of bylaws for parking).

A check payable to the Town of Petersham in the amount of \$15.00 should be included with your application for most (but not all) application types. You may wish to check with the Selectboard office if in doubt regarding the cost of your particular license. Licenses will be valid for a period of three years.

The Historic District sign-off is required only if the business is located in the Historic District. Enclosed is a map of affected parcels.

Please note that each of these applicable departments/boards must sign off before a license will be issued. Also note that a business license issued by the Selectboard is NOT the same as a permit required by the Town Clerk or the Zoning Board of Appeals. Please check the town by-laws under Zoning by-laws to see if your business falls within ZBA guidelines.

If you are operating under a business name other than your personal name you must also obtain a "DBA" (doing business as) certificate from the Town Clerk. An application is provided in this packet. This form must be notarized and the Town Clerk can do this for you at no additional charge. This form is returned directly to the Town Clerk.

If you have any questions, don't hesitate to call the office at the above number.

APPLICATION FOR A NEW BUSINESS LICENSE

CHECK LIST

Prior to the Selectboard issuing a new business license, you must contact each of the following town departments or boards/commissions for a sign-off. They will inform you if you need to comply with any of the town by-laws prior to sign-off. This completed form must accompany your license application. It is your responsibility to obtain these signatures.

Meeting times are subject to change and can be confirmed by viewing the website www.townofpetersham.org or official posted meeting times on the website www.mytowngovernment.org/01366.

The Zoning Board of Appeals usually meets the 3rd Tuesday of the month in the Town Office Building in the upstairs conference room. Don O'Neil is the Chair and can be reached at 978-724-0076.

The Inspector of Buildings, Brianna Skowyra, has office hours in the Town Office Building (upstairs) on Mondays (except holidays) from 5:00 p.m. to 6:00 p.m. and can be reached at 978-724-3586.

The Historic District Commission meets the 3rd Thursday of the month at 7:00 p.m. at the Petersham Memorial Library. Nancy Allen is the Chair and can be reached at 978-724-0075. This sign-off is needed only if the business is located in the Historic District.

Information and Instructions

D

Massachusetts General Laws chapter 152 requires all employers to provide workers' compensation for their employees. Pursuant to this statute, an *employee* is defined as "...every person in the service of another under any contract of hire, express or implied, oral or written."

An *employer* is defined as "an individual, partnership, association, corporation or other legal entity, or any two or more of the foregoing engaged in a joint enterprise, and including the legal representatives of a deceased employer, or the receiver or trustee of an individual, partnership, association or other legal entity, employing employees. However, the owner of a dwelling house having not more than three apartments and who resides therein, or the occupant of the dwelling house of another who employs persons to do maintenance, construction or repair work on such dwelling house or on the grounds or building appurtenant thereto shall not because of such employment be deemed to be an employer."

MGL chapter 152, §25C(6) also states that "every state or local licensing agency shall withhold the issuance or renewal of a license or permit to operate a business or to construct buildings in the commonwealth for any applicant who has not produced acceptable evidence of compliance with the insurance coverage required." Additionally, MGL chapter 152, §25C(7) states "Neither the commonwealth nor any of its political subdivisions shall enter into any contract for the performance of public work until acceptable evidence of compliance with the insurance requirements of this chapter have been presented to the contracting authority."

Applicants

Please fill out the workers' compensation affidavit completely, by checking the boxes that apply to your situation and, if necessary, supply your insurance company's name, address and phone number along with a certificate of insurance. Limited Liability Companies (LLC) or Limited Liability Partnerships (LLP) with no employees other than the members or partners, are not required to carry workers' compensation insurance. If an LLC or LLP does have employees, a policy is required. Be advised that this affidavit may be submitted to the Department of Industrial Accidents for confirmation of insurance coverage. **Also be sure to sign and date the affidavit.** The affidavit should be returned to the city or town that the application for the permit or license is being requested, **not** the Department of Industrial Accidents. Should you have any questions regarding the law or if you are required to obtain a workers' compensation policy, please call the Department at the number listed below. Self-insured companies should enter their self-insurance license number on the appropriate line.

City or Town Officials

Please be sure that the affidavit is complete and printed legibly. The Department has provided a space at the bottom of the affidavit for you to fill out in the event the Office of Investigations has to contact you regarding the applicant. Please be sure to fill in the permit/license number which will be used as a reference number. In addition, an applicant that must submit multiple permit/license applications in any given year, need only submit one affidavit indicating current policy information (if necessary). A copy of the affidavit that has been officially stamped or marked by the city or town may be provided to the applicant as proof that a valid affidavit is on file for future permits or licenses. A new affidavit must be filled out each year. Where a home owner or citizen is obtaining a license or permit not related to any business or commercial venture (i.e. a dog license or permit to burn leaves etc.) said person is NOT required to complete this affidavit.

The Office of Investigations would like to thank you in advance for your cooperation and should you have any questions, please do not hesitate to give us a call.
