

Town of Petersham
Dan Joly - Gas Inspector
824 Partridgeville Road
Athol, MA. 01331

October 30, 2012

To all local LP Gas Companies, Gasfitters, and Plumbers:

Gas inspection rates are as follows:

Residential

- New Work: \$60.00 (includes first fixture) plus \$15.00 per additional fixture. Piping is considered a fixture.
- Replacement Work (one inspection to a previously permitted fixture): \$60.00

Commercial

- New Work: \$150.00 (includes first fixture) plus \$15.00 per additional fixture. Piping is considered a fixture.
- Replacement Work: (one inspection to a previously permitted fixture): \$75.00

Please note that any return call backs due to failed work are \$50.00 per trip. Please make checks payable to the Town of Petersham. Only persons licensed by the Massachusetts Board of Plumbers & Gasfitters shall be able to pull a gas permit. The permit application should be the current one set forth by the Board, and filed with the inspector in advance of beginning any gas fitting work by mailing the application along with payment to the above address.

When ready for inspection, the installer who performed the work should call in the inspection to 978-249-9583.
