

Second Public Input Meeting
Nichewaug Inn & Academy Property
May 23rd, 7pm with
Concord Square Planning & Development Consultant

The Town of Petersham will hold the second public information and input meeting with the town's planning consultant, Ted Carman from Concord Square Planning & Development, regarding the Nichewaug Inn property on Monday, May 23rd, at 7 pm. The agenda for this second meeting, to be held at the lower level of the Petersham Town Hall, will be for Mr. Carman to present a progress report on the information gathered so far and to solicit input on a number of possible options to be evaluated in more depth. These options will differ on how to address the possible redevelopment of the Nichewaug Inn and Academy property. The schedule calls for two additional public information and input meetings at various stages of the planning process over the next four months.

Notes from meetings held by the consultant on May 6th with various town committees, abutters and other interested residents are posted on the 'Nichewaug Property' page under the 'Town Business' tab of the Town's website, <http://www.townofpetersham.org/>. Also posted there are the notes and the presentation from the first public input meeting held on April 13th. Concord Square Planning & Development is working on developing several options for the town-owned Nichewaug Inn property for town residents to consider and evaluate. For more information, please contact Henry Woolsey at 978-724-6607 or Ted Carman at 617-482-1997 or Carman@ConcordSqDev.com.

All interested Petersham residents are strongly encouraged to attend and actively participate in the ongoing planning process.
