

NEW FEE SCHEDULE 3/7/2024

TOWN OF PETERSHAM BUILDING DEPARTMENT SCHEDULE OF FEES.

Building permit fees are determined by **COST OF CONSTRUCTION METHOD**. Cost of Construction is multiplied by the **PERMIT FEE MULTIPLIER**, (presently \$7.50 per \$1,000.00). The **COST OF CONSTRUCTION** is determined by the use of the formula developed by the International Code Council (ICC) and updated twice yearly, available at ICCSAFE.com. The use of this formula will ensure uniform estimated construction costs for all types of construction.

BUILDING PERMIT FEE = GROSS AREA x COST OF CONSTRUCTION x PERMIT FEE MULTIPLIER.
(See Example Below)
