Petersham Partners

Mission Statement

Petersham Partners is a non-profit volunteer organization that offers free service to our senior residents (over 55 years of age or those with physical challenges) wishing to live independently in their homes.

The range of services provided includes transportation, assistance in and around the home and social visits for companionship and conversation.

If you are interested in any of the above services or would like to become a volunteer member, please call (978) 724-0078 or email www.petershampartners.org.

Transportation

Rides to appointments, social events, in town meetings, local grocery shopping and errands. We do not guarantee that we can always provide this valuable service but we will do our very best to try to meet these requests.
