### Residential Kitchen Permit Checklist

- Only non-potentially hazardous food can be made for retail sale in a home-based kitchen
- Retail sale only. No mail order or catalog sales allowed.
- List of items to be prepared must be submitted along with application to the Board of Health Office.
- Label examples must also be submitted with the application.
- If home is served by a well, a water test must be submitted with application. Testing parameters must include coli form bacteria and chlorine levels.
- Attach to application a brief written description of what steps will be taken to prevent co-mingling of storage of food for public consumption with family food storage (refrigerated food as well as dry good storage).  
All applicants will provide a certificate for Allergen Training
- Submit appropriate fee with application made payable to the Town of Petersham.

All permits are for 1 year expiring on December 31
